

SHAMROCK HOOPS

GRADES 3rd – 8th
COST \$35.00

Basketball season is just around the corner and its time to get signed up for our Shamrock Hoops youth basketball program. This year we are excited to extend this opportunity to the 3rd and 4th graders. Our program works on all phases of the game but places a special emphasis on offensive skill development. The coaches will work your son on skills that are age appropriate for their development. We will also work on team aspects of the game as we allow the players to play in controlled scrimmages. Any youth coaches or parents are always welcome to attend the sessions and maybe pick up some drills that can be worked on at home or with your youth teams. Hope to see you at intramurals or at our games this winter. Be sure to check out our basketball website at scotuscc.org and click on Athletics.
